What was your overall first impression of the website?

My first thought was that this is a very elegant portfolio.

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

No issues, everything worked perfectly.

What do you feel are the most effective design elements of this web portfolio?

The color scheme.

What would you suggest be changed with the design or content of this web portfolio?

I would like to see a return to top at the bottom of the page.
